RE: JEDEC Invoice No. 28002 Dated January 10, 1996

Dear Mr. McGhee:

Rambus Inc. has received the above invoice for the 1996 JEDEC dues for committees JC-15, JC-16, JC42.1, JC-42.3, JC-42.4, and JC-42.5.

I am writing to inform you that Rambus Inc. is not renewing its membership in JEDEC.

Recently at JEDEC meetings the subject of Rambus patents has been raised. Rambus plans to continue to license its proprietary technology on terms that are consistent with the business plan of Rambus, and those terms may not be consistent with the terms set by standards bodies, including JEDEC. A number of major companies are already licensees of Rambus technology. We trust that you will understand that Rambus reserves all rights regarding its intellectual property. Rambus does, however, encourage companies to contact Dave Mooring of Rambus to discuss licensing terms and to sign up as licensees.

To the extent that anyone is interested in the patents of Rambus, I have enclosed a list of Rambus U.S. and foreign patents. Rambus has also applied for a number of additional patents in order to protect Rambus technology.

Very truly yours,
RAMBUS INC.

Richard Crisp
